TOP Warming
Hut

TOP Pavilion

Please note a portion of the meadow will be closed for revegetation as there has been limited natural regrowth of this area.

- The approximate boundaries of the closure are as follows:
- 175 feet south from the intersection at the north parking lot
 - 150 feet east-southeast from Highland Drive
 - 130 feet east of the intersection along the road to the pavilion
- *The area will also be marked on site as well.

We appreciate your understanding and cooperation as we work to restore this area and preserve the health and longevity of the meadow.
